Sir,

I have the honor to state that in a meeting held on the 29th February 1896, the Shimoga Town Municipal Board resolved to purchase a fire engine for the use of the municipality. A copy of the resolution is herewith submitted for reference.

I request that the early sanction of Government may be accorded for the purchase of the engine resolved upon by the Board at a cost not exceeding 1750 Rs. the sum provided in the current year's Budget of

the Shimoga Municipality under the head VIII P.W. (n) "Value of a fire engine".

I have the honor to be,

Sir,

Your most obedient servant

Enclosures—Number

Subject

Chief Engineer's no 3598 of 30 June 1898, forwarding for Report Government Proceedings no 17046-347-1, dated 28th June 1898, enquiring if Messrs D. Rajn and Co of Madras Supply fire-Engines, and if so what such Engines have been tested & found to work Satisfactorily -

—"—

Has the honor to report -

Messrs D Rajn & Co

Supplied any fire

of the under

to suppose that have no for sale

leathrer.

As no Specification of the Engine to be supplied for the ensuing book-
ed for, accompanies the above Proceedings, no opinion can be expressed as
whether the Municipality is getting full value for the expenditure proposed.
The President having no Special knowledge of Fire Engines may not
made a judicious Selection of the description and Class required, and the
is that when received, it will be found of very little use in Consequence
the following Conditions not being Complied with, viz, (1) The Engine Should have
its own length. (2) Section Should be arranged to draw from wells or River
from Streets Hydrants. (3) Values and value Seats Should be of Gun —
tal as leather or rubber will be found decayed after a few months house
this Climate. The rainy Season having now Set in there is no urgency —
a fire Engine, and it will be found more economic to import
from England or one may be ordered from Messrs: Richardson and
Bombay, who Carry on a large business and have always a
of Engines on hand.

If the order is to be Sent to England, Messrs: Ri
er and Sons are the most noted Manufacturers and the Engine best

BANGALORE, 22/24 - 2 — 1899

No. 93

From

E. R. SUBRAYER, ESQ.,

Comptroller, Mysore Govt.

To The Secretary to the Government of Bombay in the General and Revenue Department.

Messrs. Henry Ellis Thurland & Sons London

SIR,

With reference to ~~your letter~~ Prov. No. 9493-95 / 2.7347-96 dated 15 — 2 — 1899 I have the honor to intimate that Messrs. Coutts & Co., London, have, in my letter No. 1296 dated 21 — 2 — 1899 been instructed to pay to the party named in the margin the sum of £16-18-6 on application on account of balance of cost of the Twin Engine ordered for the Shimsha Power Municipality and that the equivalent of the Sterling payment at 1-4 per rupee, namely, Rs. 253 — 14 — will be adjusted in the accounts of the State Huzur Treasury for the current month by debit to the head Municipal Funds and to request that a bill for the amount may be furnished at an early date in support of the debit.

I have the honor to be,

Sir

Your most obedient servant,

Asst. Comptroller.
